[Article] Comparing stakeholder perceptions with empirical ...

As yet, little is known about the perception of corporate reputation amongst the different stakeholders of a firm. Comparative empirical evidence has remained scarce. The aim of this paper is therefore to raise fundamental questions about reputation: how it may or may not differ between stakeholder groups and how firms can take these differences into account when measuring and managing ...

One reputation or many? | Comparing stakeholders ...

Reputation management - one of the cornerstones of corporate communications - seeks to align communication with stakeholder groups as to prevent a fragmented reputation. As yet, little is known about the perception of corporate reputation amongst the different stakeholders of a firm. Comparative empirical evidence has remained scarce. The aim of this paper is therefore to raise fundamental ...
