Selecting Landscape Plants - Understanding Plant Labels and Terms Plant Selection for Sustainable Landscapes . For specific recommendations on sustainable landscape plants specific to your local climate and conditions, consult your local extension resources or office.

**Landscaping: Design and Plant Selection - eXtension**

Plant selection should always be governed by research into the qualities of the specific specimens under consideration, and sometimes you will need to make a compromise. But never is such research more critical than when it comes to selecting trees for your landscape—so it is with trees that we will begin.
