directives are discussed following this chart. Physician non-compliance permitted Facility non-compliance ...

Noncompliance with Advance Directives

The purpose for this article is to define the terms of the Advance Directive within the legal and medical community and then to explore the bioethical implications of the Advance Directive for the nurse. Over the last decade, a legal document has entered the arena of the health care facility: the Advance Directive. Today, not only is the critical care nurse responsible for technical handling ...

Compliance with Advance Directives: Nursing's View ...

See generally H. Fernandez Lynch, M. Mathes, & N.N. Sawicki, Compliance with Advance Directives: Wrongful Living and Tort Law Incentives, 29 J. Legal Med. 133-78 (2008). [viii] Because my directive is grounded in common-law and constitutional rights, it is not constricted by preconditions, such as a "terminal" condition, contained in some living will legislation.
